Sir:

In response to the Office Action dated March 24, 2005, please consider the remarks as submitted herewith on the accompanying pages.

REMARKS

Claims 1-17 are all the claims pending in the application. In the Office Action, the only basis for rejection of the claims is a provisional statutory double patenting rejection under 35 U.S.C. § 101 in view of commonly assigned U.S. Application No. 10/618,768. Applicants respectfully submit that, since the provisional statutory double patenting rejection is the only rejection remaining in the subject application (i.e., it is the only rejection presented in the Office Action), the Examiner is guided to withdraw the rejection and permit the application to issue as a
